Health and Safety Statement in relation to the delivery of music teaching

Date: 8th April 2019

We are committed to ensuring the health and safety of children and young people during the music lessons which we provide. Specifically, we commit to:

1. Provide adequate control of the health and safety risks arising from music teaching activities
2. Monitor the health and safety risks of children and young people in music lessons
3. Instruct children and young people in the safe use of any equipment, instruments, etc.
4. Report to the school any health and safety risks arising from the provision of instrumental music lessons
5. Report to the school any concerns regarding the health and wellbeing of children and young people in our lessons
6. Keep a record, shared with the school, of any accidents or health and safety risks which arise during the lessons.
7. Review this statement as appropriate.
